Across the infinite

(Verse 1)

Will keep going up

And never come back down

Might look back

Yet keep moving forward

Always something to the left

And something to the right

(Chorus)

Across the infinite

There is always a new world

Both out past the galaxies

To the inner mind space within

No point being limited

To powers that be

Across the infinite

Is the only way for me

(Verse 2)

Could live in a hut

And live in a palace

Live life fast

Or go a bit slower

There is never an end

As you sleep at night

(Repeat Chorus)

(Verse 3)

Could be an astronaut

Or burrow underground

I'm a freeman

I live therefore I will glory

Without breaking a sweat

Live life with all my might

(Repeat Chorus)
